Hardcastle and Marriott is a British police procedural television series set at the end of World War One. The show follows the investigations of Detective Inspector George Hardcastle and Detective Sergeant Helen Marriott, two detectives who are tasked with solving a series of murders in the war-torn city of London.

Hardcastle is a veteran of the war, and he has seen the horrors of battle firsthand. He is a brilliant detective, but he is also a deeply troubled man. He is haunted by memories of the war, and he struggles to come to terms with the loss of his friends and comrades.

Marriott is a young woman who has recently joined the police force. She is intelligent and ambitious, but she is also naïve and inexperienced. She looks up to Hardcastle and is eager to learn from him, but she is also aware of his demons.

Together, Hardcastle and Marriott make a formidable team. They are both skilled detectives, and they have a deep understanding of the human condition. They are also able to see the world from different perspectives, which allows them to solve cases that would otherwise go unsolved.
