

Secret Wars Battleworld 2024: A Comprehensive Overview of the Marvel Event

Secret Wars Battleworld 2024 was a major Marvel Comics event that ran from 2015 to 2016. It was written by Jonathan Hickman and drawn by Esad Ribic. The event was the culmination of Hickman's long-running Avengers and New Avengers series, and it reshaped the entire Marvel Universe.

The event began with the incursions, a series of events that caused different realities to collide with each other. This led to the destruction of many realities, and it eventually threatened to destroy the entire Marvel Universe.

To stop the incursions, the Avengers and the Fantastic Four traveled to the Beyonders' realm. The Beyonders were a race of cosmic beings who were responsible for causing the incursions. The Avengers and Fantastic Four were able to defeat the Beyonders, but it came at a great cost. Doctor Doom sacrificed himself to save the universe, and the Molecule Man was left trapped in the Beyonders' realm.
